### Draft Email to All Affiliates

#### **Trump is No Friend of Workers ... or the Laws that Protect Working Families**

Where did \$2.2 trillion from the CARES Act go? Workers who didn't get their well-deserved benefits would like to know. Massive corporations took billions of dollars that were supposed to keep small businesses afloat. President Trump blocked having inspectors watch, and over \$1.4 billion went to dead people.

Will there be more checks from the government? The \$600 unemployment support payment ends on July 31. Trump's allies in the Senate are blocking the HEROES Act. Trump opposes the pro-labor provisions in the bill.

Trump has vowed to veto the Protecting the Right to Organize (PRO) Act, which modernizes the definition of unfair labor practices and allowing fines or lawsuits against employers who try to keep workers from forming workplace bargaining units.
