

## **CODE U: Union Wages & Union Jobs**

Americans across our country are joining together to form unions because workers know that together, they have more power to demand better standards of living and working conditions. Voting in this election will send a message from working families to our elected leaders that we want them to support raising wages, union jobs and the right to organize and collectively bargain.

Union endorsed candidates for Congress and county and municipal elected office share our working family values and will protect our freedoms. They support a living wage, prevailing wages, Davis Bacon and equal pay. They support increased funding for worker training and registered apprenticeships. They are committed to investing in infrastructure, clean energy, emerging industries, and American manufacturing to create good paying union jobs.

Attached please find sample CODE-U messaging for your use. We encourage you, under your signature and union banner, to broadly share, send, text, tweet and post on your union's social media pages through this planned and coordinated initiative. Please contact John Shea, COPE Director, at [cope@njafclcio.org](mailto:cope@njafclcio.org) or 609-989-8730 with any questions.

Working together, the voice of working families will be heard on Election Day!
