AN IMPORTANT MESSAGE FROM YOUR UNION

STOP TRUMP. LOWER COSTS. BUILD AN ECONOMY FOR WORKING FAMILIES.

JOSH GOTTHEIMER
FOR CONGRESS

STOPPING THE TRUMP AGENDA TO BRING COSTS DOWN. Gottheimer knows how tough it's gotten for many working families as prices rise due to the Trump administration's reckless actions. He will work to lower health care, housing and energy costs by cutting red tape and investing in clean domestic energy sources.

DEFENDING WORKERS' RIGHTS. Gottheimer will fight to guarantee collective bargaining rights for all workers and build an economy for working families, not corporations and the wealthy. He supports Davis-Bacon and project labor agreements on federal projects and will protect the rights of public workers.

FIGHTING BACK AGAINST PRESIDENT TRUMP TO PROTECT NEW JERSEY. Gottheimer will work to ensure New Jersey gets its fair share of federal funding to repair our roads and bridges and improve our mass transit systems. He will fight the Trump administration's attempt to cut New Jersey's funds.
